# ASTON EDUCATION CENTRE

Head start your  
career with Aston  
**BE THE LEADER**

## Message from CEO

At the outset, I would like to thank you for choosing Aston College. We realise and recognise that you have taken a huge step towards your future growth and career development. We truly appreciate the trust you have in us. It is an honour and a proud moment to have you in our community. I would like to personally welcome you to Aston College's Education Centre as an integral part of our diverse community that is very selective in choosing the right fit.

With the growing need of global economies and communities, Aston College strives to bring you borderless learning and a community of like-minded individuals that form a strong bond, carrying you forward and upwards for years to come.

With a keen focus on delivering quality education, we have formed strategic alliances, bringing you more choices and pathways to Australia with added advantages that only our students benefit from.

I would like to thank you once again for choosing Aston College to achieve tremendous growth. We welcome you to our family and are really excited to start this journey with you.

Nishant Maroo

## Message from Academic Director

Welcome to Aston College! I commend you on taking a big step towards a new chapter in your life. The courses at Aston College are focused on giving students the opportunity to choose where they want to head in life. The courses are, as always, in close contact with reality. We balance the work related training and academic excellence towards Higher Education to give the perfect blend for today's students.

We are committed to offer leading-edge knowledge and strive for our students to master practical tools used in everyday work places. We encourage our students to build social relationships. Not only are our students equipped with Vocational Education, they also leave Aston College with better leadership and language skills. I

welcome you and look forward to meeting you very soon.

Paul Kelly

# About Aston

Aston College takes pride in being known as a pioneer in offering world-class training and top-notch vocational education. We collaborate with reputable partner colleges and institutes in Australia and around the globe, to provide border less learning. We are best known for our dedication towards all stakeholders and deliver with utmost passion. Our goal is to help students and partners of Aston College build a better future for themselves as well as for the communities they are an active part of.

We facilitate a blend of efficient but flexible online and classroom environment that realistically mimics

the workplace scenarios. Different qualifications will have different environments set up for learning. We partner with different organizations that have various facilities needed to support the learnings of our students.

Our 'Purpose' and the reason we exist is to help transform the lives of individuals and strengthen communities through employment linked education and training. It is our mission to offer high quality, innovative instructions and support which promotes individual achievements, academic excellence with career and economic development.

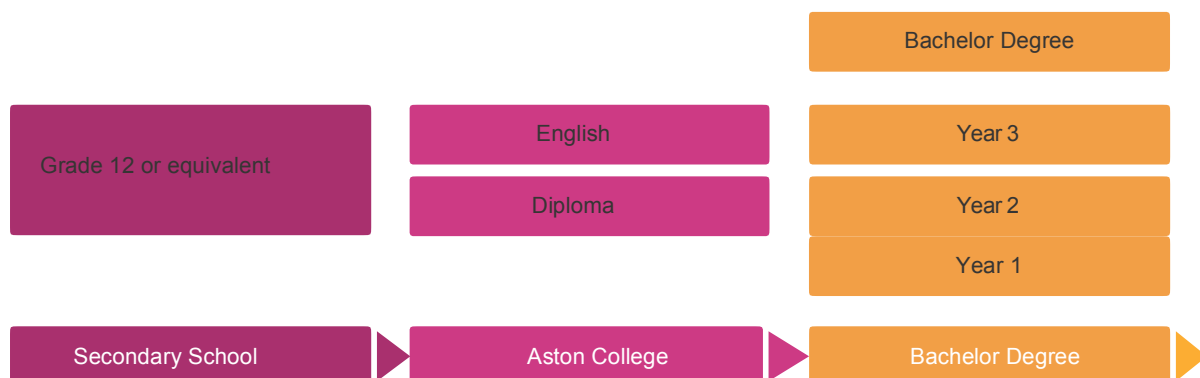

## Aston Pathway Program

After extensive market research, Aston College is launching the pathway program in your home country. We found a gap in education where we could make the most impact. Aston College brings an Australian course to your country that you can utilize as a pathway program to higher education in Australia or other countries. It is a blended concept based on the right mixture of traditional classroom based learning and the new world of online teaching with a simulated environment that helps the learner absorb the learning quicker.

## Program Structure

Complete first year with Aston College and go directly into second year of a Bachelor Degree

# Program Benefits

- Academic Excellence
- Head Start your career
- Higher Employment Opportunities
- Australian recognized qualification before entering the country
- Lifetime access to Aston student community
- Exemptions towards your study via blended learning
- Financial savings
- Time savings

## Soft Skills & Language

Aston College realizes that apart from technical or hard skills training, students need soft skills training, to enhance their abilities further and set themselves apart from the rest. Soft skills are not exhaustive, as they are known as people skills or personal attributes that indicate high levels of emotional intelligence. With each passing term our students will have a surprise theme of soft skills, to help enhance their capabilities.

Besides soft skills, English preparation classes will be offered, to support students for the external official English tests, like IELTS, PTE, TOEFL or CAE.

## Qualification that we Offer

BSB50215

Diploma of Business

## Admissions Process:

### Pre-Admission

- Fill in Application with relevant documents
- Complete Internal English Placement Test
- If English requirement is not met, attend additional English classes
- Once all requirements are met offer letter will be issued
- Students to make relevant payment and sign the offer letter
- Upon receipt of payment and signed offer letter is returned a confirmation of enrolment plus LMS login details will be sent
- Student is to attend orientation.

### Post Admission

- Ongoing soft skills and English language classes
- Applications to your choice of University or College upon completing the first term
- Continuous guidance on visa documentation
- Students to clear official English Test (IELTS, PTE, TOEFL or CAE) during the third term
- Upon successfully completing the course, an Australian Qualification will be issued
- Final documents and payment for Bachelors Degree to obtain COE (Confirmation of Enrolment)
- Lodging of Student Visa, on completion of course
- Upon successful visa approval, students are now ready to begin their journey to Australia
- Aston College Representatives will ensure a smooth transition to University
- Once University studies are over, EPA Global will lodge your work or PR visas or help with any other ways you choose to go after the course is completed.

## At Aston, we go beyond 'Education'!

### Aston Community

Our community page has students from all the centers across the globe. It is a platform to post views and get support, when needed. The group focuses on creating a community where life long relationships and networking are formed.

### Student Support Officers

These officers are in every Aston Center, to help and guide you with everyday enquiries. When they are unable to help, they will point you in the right direction towards someone who can.

### Social Activities

Ongoing social activities programs run frequently. These activities range from parties, movies, get-together and visits to social and historical places, etc.

### Interactive Webinars

Aston College will be continuously providing you with webinars from Australia, run by our local Trainer and Assessor. We will try our best to get local business owners to share their knowledge and skills via our webinars.

### Learning Management System

Our student Learning Management System is geared up to facilitate your learning in the classroom or workplace. This exclusive members area gives you access to learning resources such as Videos, eBooks and Forums, etc.

### Facilitating University Admissions, Employment Opportunities and Immigration advice

Aston has collaborated with EPA Global, to facilitate admission into various universities and colleges in Australia into Bachelors Degree and facilitate visa support services. These services continue while in Australia with Job search advice and further visa applications. EPA Global has expert advisors to facilitate smooth transition of your visas, after completing your course.
